DRIVING DIRECTIONS FROM NORTHERN STATE PARKWAY

IF YOU ARE USING A GPS, PLEASE NOTE: You must type in the address exactly as it is written above or you will end up in a different location.

FROM QUEENS & NASSAU COUNTY

Take the Northern State Parkway East to Exit 37 – “Manetto Hill Road”. Go *north* (left) on Manetto Hill Road to Woodbury Road. Turn *right* on Woodbury Road. (Or you can take Woodbury Road all the way from downtown Hicksville). You will be on Woodbury Road for 3 miles before turning onto our street. Travel on Woodbury Road, passing the intersection of Jericho Turnpike (Rte 25) after 1 1/2 miles. After another mile, you will pass under a railroad overpass. Then follow “COMING NORTH ON WOODBURY ROAD” directions below:

FROM SUFFOLK COUNTY

Take the Northern State Parkway west to Exit 39, “Round Swamp Road”. Turn right at the end of the exit ramp, toward “West Hills”, which is *north* on Round Swamp Road. Go for 1 ½ mile until it ends. Make a *left* onto Route 25 (Jericho Turnpike). Get in right lane and go only ¼ mile to next light and make a *right* onto Avery Road. As you turn, you will see a stone gate that says "Cold Spring Hills" on it. Don't go into the gate, but rather stay straight on Avery. Take Avery all the way until the end (¾ mile). Turn *right* on Woodbury Road. Don't speed up too much because turn is VERY close. Follow directions “COMING NORTH ON WOODBURY ROAD” below:

COMING NORTH ON WOODBURY ROAD:

You will be next to an Orthodox Church (St. Marks Coptic Orthodox Center) on your right. Then you will see a yellow diamond sign  warning you of the upcoming turn.

The entrance to East Gate Drive is on your *right* just after that yellow sign and is just before the Cold Spring Tennis Courts (if you pass the tennis courts, you went too far). Turn right onto East Gate Drive. Go up a hill and over the railroad tracks. Continue up the hill until you get to a stop sign. This is the intersection with Cold Spring Lane. The house is directly in front of you (tan wood shingles and brick exterior with white trim) Make a slight left and then an immediate right into the driveway. It is number 64 East Gate Drive. Come part of the way up the driveway and turn right to park in the circular driveway. Please park on the right edge of the circular driveway as far forward as you can. Make sure there is enough clearance for cars to pass you on the left to access the exit, as we must keep the entrance and exit fully clear at all times. If there is a car already there, park directly behind it. Please do not park by the garage. Come up the curvy brick walkway to the office entrance, in between the garage and the house. There is no need to knock; just come right into the waiting room and have a seat. I will call you in at the time of your appointment.
