**BY TRAIN ON LIRR**

Take the Huntington/Port Jefferson line (dark blue) to the Cold Spring Harbor station. If travelling eastbound, try to sit as close to the rear of the train as possible. When you get off, make sure you get onto Platform B, which is on the opposite side of the tracks from the ticket booth/waiting area/parking lot. There is an entrance into a residential neighborhood directly across the tracks from the ticket booth/waiting area/parking lot, at the bottom of the stairs from the pedestrian bridge. Walk past the trash bins and onto the street; there is a green sign to your right that says “Cold Spring Hills” and you will be entering a cul-de-sac. Walk to the right and start counting at the 1<sup>st</sup> house on the left, which is brick with white shutters. Walk up the steep hill to the 5<sup>th</sup> house on the left, on the corner of Cold Spring Lane (which appears as “Station Lane” on some maps) and East Gate Drive. It is number 64 East Gate Drive (tan wood shingles and brick exterior with white trim). The driveway has a big stone wall and white mailbox on its left side and a red fire hydrant on its right side. Come up the curvy brick walkway to the office entrance, in between the garage and the house. There is no need to knock; just come right into the waiting room and have a seat. I will call you in at the time of your appointment.
